With extensive experience in UX design and research I have the tools to significantly enhance user experiences. I've optimized user flows to obtain substantial financial gains, created new experiences from the ground up, and created multiple design systems. From user research to coding, I deliver the whole experience.

WORK EXPERIENCE

Global-Tickets – European market leader in motorsport travel

July 2024 – Present

Senior UX Designer

Groningen, Netherlands

- Established the first UX practices, including research, accessibility, and workflows.
- Guided the transition to responsive and modern design patterns in collaboration with developers.
- Increased conversion rates by nearly 20% on the most visited page of the website.

Grover – Leader in the “products-as-a-service” market

Aug. 2021 – Mar. 2024

Product Designer

Berlin, Germany

- Boosted the conversion rate of the product page by more than 10%.
- Boosted the conversion rate of the checkout by more than 20%.
- Led the way to improve research practices, helping the company gain data and insights into its users.
- Expanded the design system, improving consistency and accessibility for designs created by more than 10 designers.

Vrije Universiteit Brussel

Feb. 2019 – Apr. 2020
